TA VOLI

Trascorrere del tempo in famiglia o con gli amici a tavola è un'abitudine da apprezzare e coltivare. Protagonista della convivialità, scegliere il tavolo giusto è il primo passo per portare nel living il piacere di stare insieme.

Spending time around the table with family and friends is a treat best served regularly! Finding the right table - the centrepiece of the gathering - is the first step towards bringing the joy of entertaining and family time into your living spaces.

Tudor INCROCI DI DESIGN

DESIGN INTERSECTIONS

Il top in legno di forte spessore e un gioco di gambe incrociate con particolari colorati per un tavolo che ama farsi notare, sotto tutti i punti di vista. Le gambe in vetro cambiano forma, ma mantengono lo stile.

The extra-thick wooden top and the pattern created by crossed legs with coloured detailing result in an eye-catching table whichever way you look at it. The glass legs change shape but retain the same style.

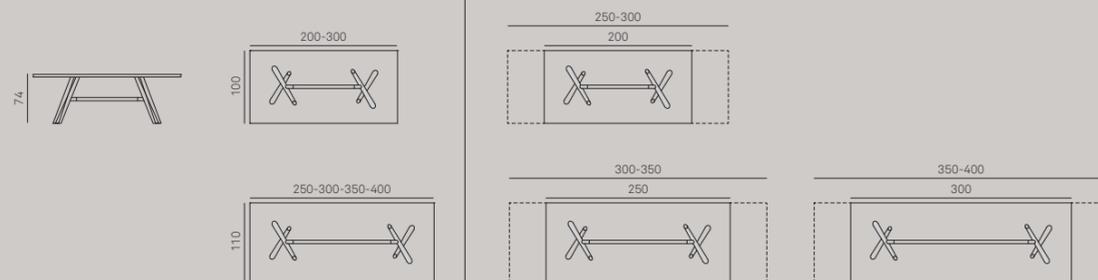

Variante con basamento in vetro.

OLIVER IT'S ALL ABOUT THE MONOCHROME

Il design leggermente bombato delle ante e dei cassetti ammorbidisce il volume e con le sue tonalità naturali la madia arreda tutti i tipi di ambienti con discrezione.

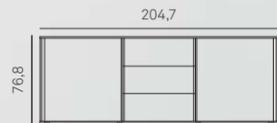

The slightly convex design of the doors and drawers softens the unit's appearance, while the sideboard's natural hues ensure it makes a discreet addition to any interior.

Vanessa UN SENSO DI PROTEZIONE

A SENSE OF PROTECTION

A dettare lo stile della poltrona è soprattutto il design dello schienale alto che, in pelle, ecopelle, econabuk o tessuto, è avvolgente come un abbraccio.

The armchair's style is dictated, above all, by the design of its high back, which is upholstered in leather, eco-leather, eco-nubuck or fabric and wraps round the occupant in a hug.
